

SESSION LAWS

The following tables show where the statutes enacted at each session of the Legislative Assembly subsequent to 1940 are compiled in the Oregon Revised Statutes or the reason they were omitted therefrom.

In the tables for Oregon Laws 1941, Oregon Laws 1943, Oregon Laws 1945, Oregon Laws 1947, Oregon Laws 1949 and Oregon Laws 1951, where a section number or chapter number in the "ORS" column is preceded by the letter "n," it means that the section or sections opposite thereto in the left column have been omitted from the Oregon Revised Statutes because they were obsolete, unconstitutional, redundant, repealed by implication or duplicated by some other section, and that the omission is explained in the Reviser's Note for the ORS section or chapter number indicated.

The letter "R" followed by numerals separated by colons means that the section or sections opposite therefrom in the left column were repealed by the chapter and section of the session law designated by the numerals; for example, "R 43:241:3" means that the section was repealed by section 3, chapter 241, Oregon Laws 1943. Other abbreviations used are as follows:

Appn	Appropriation provision

Emer	Emergency clause
Ref	Referendum provision
Rej	Rejected by the people
Rplg	Repealing provision

Oregon Laws 1955		4.....	Emer	61.....	Temp	95.....	481.230
Note: From 1953 through 1987, after each regular session of the Legislative Assembly the Legislative Counsel distributed ORS replacement parts that included the comparative section table covering only that regular session and accompanying special sessions. Prior years' tables were not updated to reflect actions taken in editing the current year's statutes. For example, a 1983 session law section published as a note after ORS 123.456 would be given a "Temp" designation, followed by a parenthetical "(123.456)" in the 1983 table. If the section was codified in 1987, the 1983 table would not be updated. Beginning with publication of the 1989 statutes, the Legislative Counsel published after each regular session an entirely new ORS edition that included updated prior tables to reflect the current year's editing actions. In the example here, if the 1983 section was codified in 1991 as 123.458, the Legislative Counsel would delete the "(123.456)" and change the "Temp" designation to "123.458."		16.....	Temp	62.....
